Dear Friends,

And we have seen and testify that the Father has sent his Son to be the Savior of the world. 1 John 4:14

Liberty Corner Mission

Mission is Worship

Worship is the most important part of our ministry. In October, we worshipped Jesus in a special service with guest musician, Mrs. Mori Yuriko (picture left). In November, we joined about 800 missionaries at a special worship event and conference near Mt Fuji.

Mission is Proclamation

The Gospel presentation is the most important part of any program we offer at our church. We remind our guest speakers, our dedicated staff and ourselves, that Jesus must be preached as the Savior of the world (1 John 4:14). In Him, alone, we have the forgiveness of our sins. We shall never hesitate to preach the risen Christ to all who attend our various programs. Japan needs to hear the Gospel of Jesus Christ!

Mission is Team Work

We are blessed with faithful church members who love Jesus. Recently, a new woman has joined us with a desire to know Jesus more. We are also privileged to welcome Malena as our latest short-termmer who will remain with us until the summer, 2025. Sayuri, another short termmer, will stay until the end of this year. We thank Marianne for coordinating these short-term placements!

We are grateful for a number of Japanese ministers from our synod who help Andy proclaim Christ and provide leadership in the Sanda Church especially during this Christmas season, as Andy still needs to work alongside Shoko. Please pray for Shoko and her leadership in Kobe.

Mission is Harvest Time

The outpouring of blessings was seen in our recent Christmas programs. 108 children and 22 parents from our neighborhood joined us on Dec. 6th! Knowing how difficult it is to reach one person; this miracle becomes even more remarkable. It is all by the Lord's grace!

Six women attended the English Christmas Party. Our youth group's Christmas event was held thereafter (see pictures page 2). A few days later, we celebrated Christ in our cell group with several non-Christians attending. A true highlight was also the visit from a kindergarten class with 21 children, all 4 years of age. The principle and her staff allowed us to worship Jesus and to explain the birth of Christ to the children.

→ We are now looking toward our next two main events on December 20th and 22nd.

Blessings in disguise

Our dog, Joy, is doing much better after his surgery. Also, our 27-year-old car needed a big fix. After much prayer and consultation, we decided to keep this car and repair the radiator. Thank you for your prayers.

All streets in the valley in front our church have now been opened. With a new cross standing tall toward the main street and with many lights shining down from our roof, we wish more people would notice us, as they use these streets to get to the train station. New houses are under construction with the first neighbors moving in soon!

→ 2024 was a good year with many highlights, a rich harvest in all seasons, and a new enthusiasm among all members. Thank you very much for your prayers and support.

Your missionaries,

Shoko & Andy.

Thanks

For good services.

For our team.

For new children.

Mr. Natsuyama.
