Dear friends,

Easter Service

April/ May 2025

Typically, 12-14 people attend our Sunday worship service. What a joy it was to welcome 40 attendees to the Easter Sunday service! We welcomed three of four mothers from our new "Mommy & Me" program, for the first time on that Sunday. Even the kindergarten principal and her grand-daughter joined us, along with other neighbors and English adult students. It was truly an Easter miracle and we praise Jesus for the chance to share the account of His resurrection with them. Our Lord is risen, hallelujah!

Nozominokai Invitation

For the first 10 years, this cell group outreach program has been held at the home of Mrs. Nozomi. (Thus, the name!) In recent years, however, this program has been hosted in our church building, while giving Mrs. Nozomi the chance to welcome everyone. After a time of singing, a biblical message is shared. Half of the 14 seniors who regularly attend this event have not made a commitment for Jesus. However, they enjoy this inspiring afternoon that also includes cakes and games. Please pray for this unique chance to gently share Jesus with them.

Mother's Day Invitation

Our next two outreach events are planned for the next weekend. The first event will be our second "Coffee in the Park" - exclusively for our neighbors. In preparation, we will cut the grass, set up canopies, and get ready to serve German cakes baked by Marianne and Malena. We will then invite everyone to attend the Sunday service, followed by a BBQ.

JoyClub, JumpClub & new helpers

With the start of the new school year, we welcomed 36 new children in April and May, together. Please pray for this amazing opportunity to share the word of Jesus with these precious children.

In JumpClub we received three new students! While the numbers are usually substantially smaller than in JoyClub, we have not given up on this age group (15-22 years old). With the arrival of two seminary students from Germany, as well as help from two members of "Reach & Taste 2024" (who have returned to Japan for their studies), Ayu (from Tokyo, now residing in Osaka), Marianne, and Malena, we are now well equipped for these outreach programs. Please pray that more children and youth would join us!

Sanda, helper left

Tiffany joined our team three years ago with the goal to work in the former church of Sr. Gisela. Sadly, this transition did not proceed as successfully as hoped and Tiffany has now returned to Taiwan. Please join with the members of the Sanda church in praying for a full-time pastor or missionary to serve this congregation. In the meantime, Andy will continue supporting this church as interim minister, while Shoko serves in Kobe.

Noel

Our new dog is now four months old and loves people!

The first two families have moved into the houses in the valley. It is easy to walk with Noel to the playground there and make contacts - because Noel is sooo cute! Will this lead to new visitors for Mother's Day? Check out the new mission website: lcmcanada.ca
